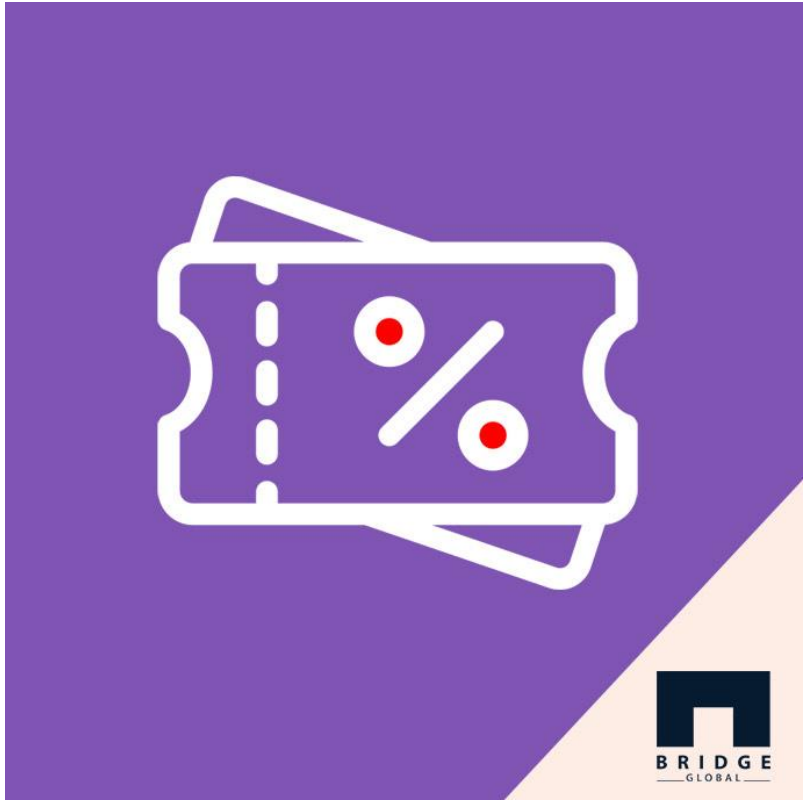
Bridge Custom Coupon

User Guide

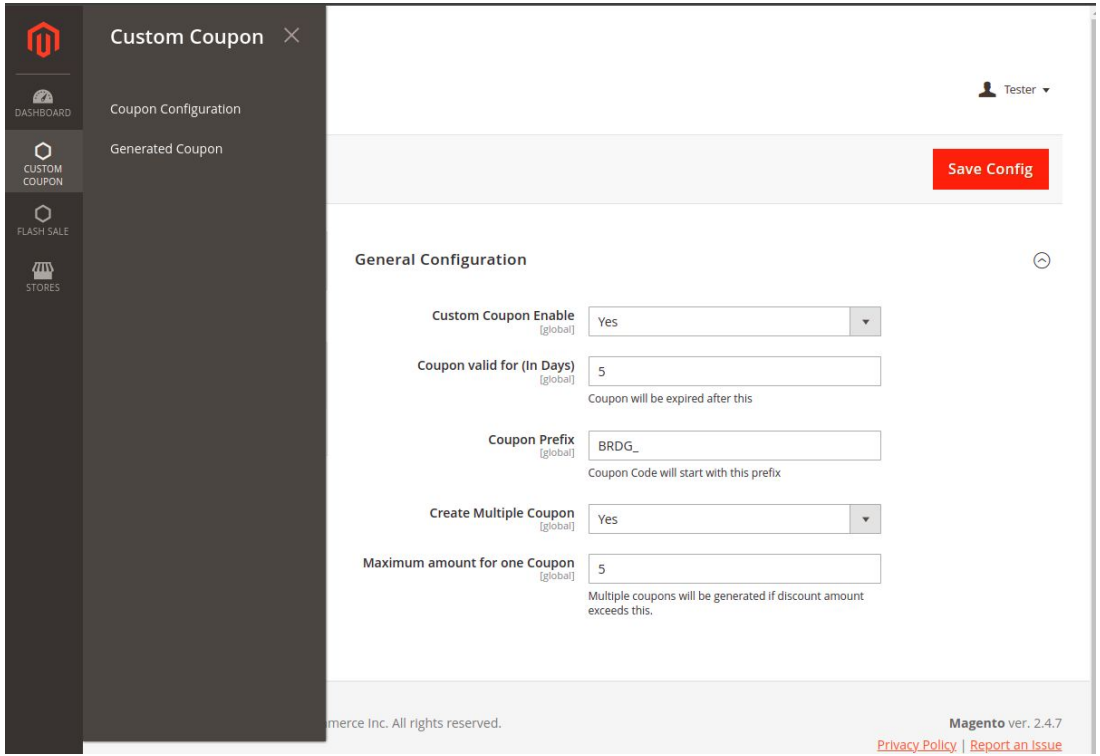


Bridge Custom Coupon: This module allows Admins to create discount coupons while issuing a credit memo. Admins can refund return amounts as discount coupons, and customers will be notified with the generated coupons.

MENU

Go to Custom Coupon -> Coupon Configuration

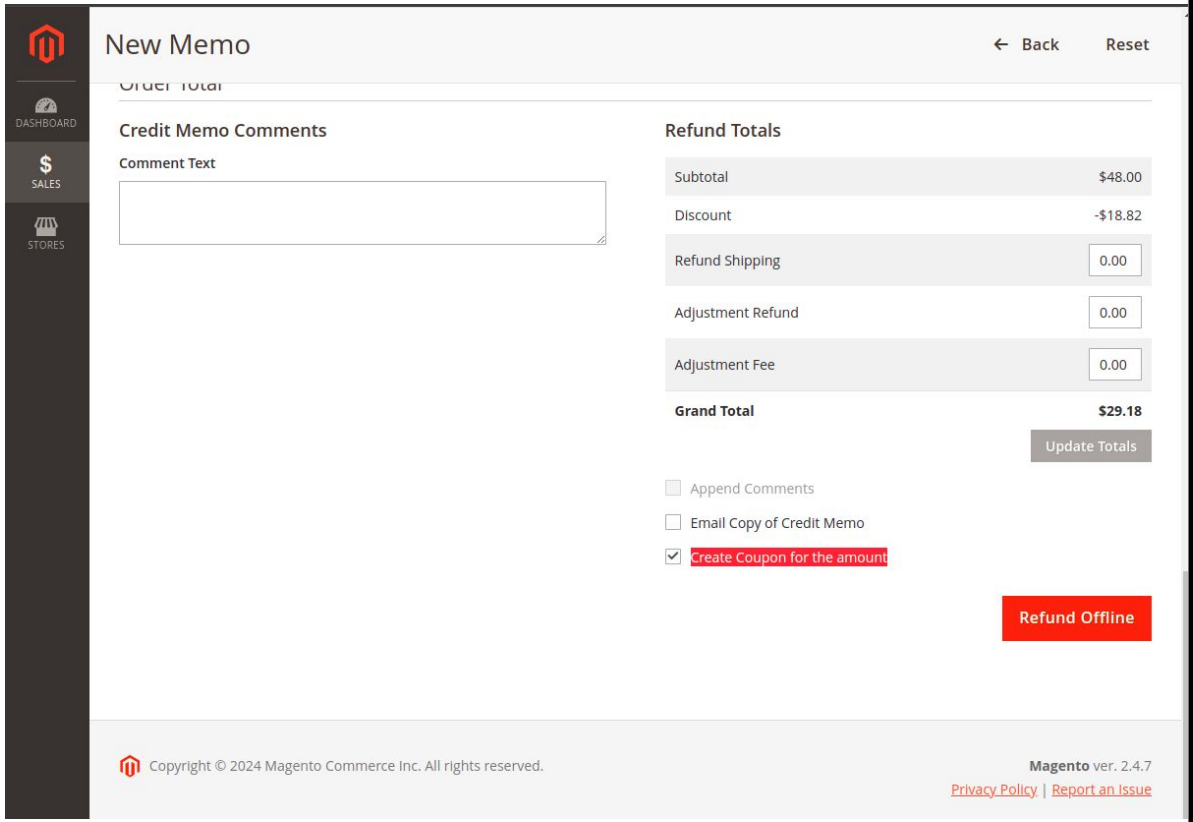
1. Enable and Disable module
2. Coupon expiry days
3. Coupon prefix
4. Multiple coupon generation
5. Maximum coupon amount for one coupon in case of multiple coupons



BRIDGE GLOBAL

New Memo Page

The new memo page will include an option to create a coupon for the return amount.



Admin Custom Coupon Page

Admins can view the list of coupons generated in a GRID.
